within the

Regional Operational Program Warmia and Mazury for years 2007 - 2013

Priority 1 – Entrepreneurship

Functioning 1.1: Rise of competitiveness of businesses

Sub-functioning 1.1.9: Other investments in businesses

Received funds in amount of 715.292,81 PLN for the project IMPROVEMENT OF COMPETITIVENESS OF MODEL ART LTD THROUGH INTRODUCTION OF INNOVATIONS IN THE PRODUCTION PROCESS OF MODELS AND MOULDS DUE TO PURCHASE OF CNC FORMING CENTRE

The project consisted of purchasing and launching production of models with use of CNC processing centre along with the equipment and software.

The investment allowed to replace manual work with work of a machine. The acquired surfaces of the models are much harder and require little finishing hand treatment. The process of a model production will be considerably shortened and the quality of the model will be definitely higher.
